

Leintwardine Endowed CE Primary School Learning Journey Itinerary

‘Letting Our Light Shine’

SUBJECT : Computing	YEAR : A	TERM : Spring 1	YEAR GROUPS : 1/2
---------------------	----------	-----------------	-------------------

Key Questions: How can we use computers to present ideas?
What do spreadsheets do?

Previous Knowledge – We would expect children to already be able to:
Have experience of using iPads, safely, logging in and out of Purplemash

END OF UNIT OBJECTIVES

Some children will not yet have met what is expected and will show that they are emerging because they can:	Most children will show that they have reached the expected level because they can:	Some children will have gone beyond the expected level and will show that they are exceeding because they can:
Understand that there are different ways to present information and explore some of these Know that a spreadsheet is a tool to help with number calculations	Present the same story in more than one way Make a quiz for a friend to try Make a fact file using tables Describe what a spreadsheet does Add images to a spreadsheet Give images a value so that a spreadsheet can count them	Present the same story in more than one way, effectively and with additional features Make a quiz with multiple types of questions Make a fact file using tables and other features Speak confidently about the features of a spreadsheet

ASSESSMENT OPPORTUNITIES

ENRICHMENT OPPORTUNITIES

Helping children to remember more

Home log-ins provided for children to share their work with other beyond the classroom

SUBJECT SPECIFIC VOCABULARY

Fact file
Quiz
e-book
mind map
text
picture
image
spreadsheet
column
row
cell
tools
count tool
speak tool

CROSS-CURRICULAR LINKS

Links that we can make to help children make sense of what we want them to know and be able to do.

Links to literacy – traditional tales
