

2nd Half of Spring Term

Our big question this half term is 'Where Did the Dinosaurs Go?'. We will learn about dinosaur habitats, diets, extinction, famous paleontologists and other animals who have become extinct. We are hoping to go on a trip to enhance our learning further...more on this coming soon!

Physical Development

PE days will be Mondays and Thursdays. This half term we will focus on ball skills alongside physical and fitness skills in Real PE.

We will continue to develop our fine motor skills in school through activities such as 'Dough Disco', threading and 'Digit Dance' but it is also a great thing to practise at home too!

PSHE

This half term our theme is 'Our World'. We will investigate how we can look after our world and how families differ around the world.

Expressive Art and Design

Through nature, we will explore Andy Goldsworthy's artwork and create our own.

We will investigate dinosaur fossils and how we can make these ourselves.

Literacy

We will read a variety of different dinosaur texts and begin to dive deeper into non-fiction books.

We are starting level 4 phonics this half term but we will continue to recap level 3 sounds and tricky words alongside. Please continue to practise sounds, tricky words and sight words (green cards) at home- it makes a huge difference!

Our word and nursery rhyme of the week is posted on Seesaw.

Maths

This half term we are working on:

- Comparing numbers to 10
- Representing 9 and 10
- Conceptual subitising to 10
- Exploring 1 more, 1 less
- Bonds to 10
- Make arrangements of 10
- Doubles to 10 (find)
- Doubles to 10 (make)
- Even and odd

We will be setting practical maths activities for you to complete this half term.
